

The Holy Pascha

Troparion: Christ is risen from the dead, /
trampling down death by death, / and
upon those in the tombs bestowing life.

Kontakion: Though Thou didst descend
even into the tomb, O Immortal One, / yet
didst Thou destroy the power of hades, /
and didst rise as victor, O Christ God, /
proclaiming to the myrrh-bearing women:
Rejoice! / bestowing peace upon Thine
apostles, / and granting resurrection to
the fallen.
